

MEET Bill and Tammy

In 1993, Bill and Tammy Woods began their foreign missionary service. After serving in Eastern Europe for four years, they felt called to pioneer a work in Arriaga, Chiapas, Mexico. The husband-wife team established Lost & Found International with a vision to seek the lost and equip the found. The couple has seen God's miraculous fulfillment of this vision as they have led a Bible school, pastor a growing congregation in Arriaga, and serve orphaned and abandoned children in their children's home. Bill and Tammy's primary role is to be "Dad and Mom" to over 25 children.

HOW you CAN HELP

Become a Seedling Partner >>

While every gift is a huge blessing and much appreciated, it is the strength of recurring monthly electronic giving that allows us to advance the work at an accelerated rate. Please consider partnering with us as a Seedling Partner! Find more information as well as secure, electronic stewardship by eGiving.com on our website lostandfound-mexico.com

Short Term Missions >>

Good bye Cancun, Hello Arriaga! While it may not be a sunny beach, serving on a short term missions team could be one of the most life changing vacations you have ever taken. Contact us or visit our website for more information.

Long Term Missions >>

For those of you who feel called to full-time service on a foreign field, we encourage you to first come for a short visit so you can get a feel for the work and the people. Please contact us or visit our website for more information.

Pray >>

A missionary vision is sustained in prayer. We deeply appreciate those who offer their time to support our team and our children through prayer.

THE Potter's Ranch

CHILDREN'S VILLAGE

It's been over 30 years ago that the Lord first planted the vision in our hearts. A vision of one day having a ranch where hurting children can find restoration and love. The Lord made a way for the purchase of 188 acres of beautiful ranch land, located about midway between the towns of Arriaga and Cintalapa.

The vision to build a children's village is underway as construction continues at the Potter's Ranch. The 188 acre self-sustaining facility will provide food, medical care, education, refuge, and family for at least 200 orphaned and abandoned children. Twenty small homes will be built, each to be home for a family unit of up to ten children with loving house parents.

We are pushing towards the goal of making the ranch self sustaining. We currently have over 30 milk cows, 200 laying hens, sheep, milk goats, rabbits, and over 1,000 fruit trees.

The family continues to grow.

THE Church

IN ARRIAGA, CHIAPAS

The most important aspect of the ministry of Lost & Found is seeking the lost and seeing that the found are discipled and commissioned in the service of our Lord Jesus Christ. Through outreach, Bible studies, home groups and conferences, souls have been won and a local, growing church has been established in Arriaga.

The Lord is using this precious church to establish children's ministries, ministries to the prisons, an outreach to alcoholics and a beautiful ministry to the aged and infirm. We have services on Sunday morning and Wednesday night as well as other family group meetings during the week.

THE Base

HOME • CLINIC • SCHOOL

Often the visions of our heart play out much differently than we imagined, and the blessing of The Base is no exception.

As we continued to receive more children with open arms, our family quickly outgrew our living quarters. The Ranch was blossoming beautifully, but it still lacked the accommodations needed for us to make the full family move. We lacked the finances necessary to complete construction on the children's homes, and the needed progress seem years away from fruition.

When suddenly, God.
What we thought would take years to accomplish happened within weeks. By the favor of the Lord and the generosity of His Kingdom-minded children, we were GIVEN a twelve acre property that provided the facilities our family needed. This property, what we now call "The Base," is located just ten miles from the Ranch! The Base is equipped with five houses, a church, two sets of dormitories (sleeps 100), and a two story clinic building with dental facilities.

Construction continues at the Ranch and we are now closer to the fulfillment of the vision than ever before. It is amazing to see God accomplish the impossible that He planted in our hearts years ago. Through Him we can truly do all things.
